

# BOOST+

- ✓ Fresh cut Lucerne and kibbled Barley to optimise digestive health
- ✓ Builds top-line and condition
- ✓ Superior protein and amino acids for young growing horses
- ✓ Contains all essential vitamins and minerals for a complete feed

**Boost+ contains a comprehensive vitamin and mineral premix so it can now be fed as a complete feed taking out the guesswork and need for additional supplements.**

*Fiber Fresh Boost+®* is an Oat-free, specifically formulated feed comprising fresh cut Lucerne and freshly kibbled Barley, mixed in the correct proportions, of fibre:grain being a 2:1 ratio by weight.

This ratio is ideal to increase saliva production, slow intake, increase digestion and metabolism of both the grain and fibre portion, plus maintains healthy gut function and hydration. The unique process of controlled fermentation of the Barley enhances its starch digestibility.

*Fiber Fresh Boost+®* provides superior protein and amino acids for growth and development required in young horses, equine athletes and those requiring a conditioning feed or top-line boost. The balance of protein and highly digestible slow-release energy makes it ideal for stallions, broodmares, youngsters and sport horses needing a safe, high energy performance feed.

*Fiber Fresh Boost+®* is the highest energy / calorie product within the Fiber Fresh range. It is therefore ideal to maintain body weight in older horses.

## TYPICAL ANALYSIS Dry Matter Basis

NUTRITIONAL JUICES (AS FED)	45.0%
CRUDE PROTEIN	17.5%
SOLUBLE SUGARS	3.1%
STARCH	23.5%
CRUDE FAT	2.6%
CALCIUM	0.84%
PHOSPHOROUS	0.33%
MAGNESIUM	0.17%
POTASSIUM	1.58%
SODIUM	0.77%
CHLORIDE	1.06%
SULPHUR	0.24%
IRON	148mg/kg
MANGANESE	30.25mg/kg

## NUTRIENT COMPOSITION

COBALT	0.15mg/kg
COPPER	28.13mg/kg
IODINE	1.00mg/kg
SELENIUM	0.28mg/kg
ZINC	112.5mg/kg
VITAMIN A	5625 IU/kg
VITAMIN D	825 IU/kg
VITAMIN E	225mg/kg
VITAMIN B1 (THIAMIN)	11.58mg/kg
VITAMIN B2 (RIBOFLAVIN)	5.63mg/kg
NIACIN	56mg/kg
VITAMIN B5	19.70mg/kg
VITAMIN B6	13.50mg/kg
FOLIC ACID	10.10mg/kg
LYSINE	4.05g/kg
<b>DIGESTIBLE ENERGY (DE)</b>	<b>13.0MJ/kg</b>

## RECOMMENDED DAILY FEEDING RATES

For general health (as fed)

LIGHT WORK (resting/pleasure)	1kg – 3kg
MODERATE WORK (show-jumping/dressage/eventing)	2kg – 6kg
HEAVY WORK (racing, endurance)	+ 4kg
GROWING HORSES AND PREGNANT MARES	2kg – 6kg
BREEDING STALLIONS	3kg – 6kg
LACTATING MARES	+ 4kg

**Fiber Fresh products are available from quality equine and rural suppliers nationwide.**
